

Since You Went Away

Seems like to me the stars don't shine so bright.
Seems like to me the sun has lost its light.
Seems like to me there's nothin' goin' right
Since you went away.

Seems like to me the sky ain't half so blue.
Seems like to me that everything wants you.
Seems like to me I don't know what to do
Since you went away.

Seems like to me that everything is wrong.
Seems like to me the day is twice as long.
Seems like to me the bird has lost his song
Since you went away.

Seems like to me I cannot help but sigh.
Seems like to me my throat keeps getting dry.
Seems like to me a tear stays in my eye
Since you went away.
