

# Christmas Again

Tune: Czech Trad. Lyrics and arr. Graham Pratt

Smell of pine, Auld Lang Syne, too much wine,  
Children awake at 4 a.m.  
Cherubim, seraphim, Tiny Tim, Chris'mas again.  
Candlelight, Silent Night, fam'ly fight;  
Singing of peace on earth to men,  
Balthazar, advocate, shiny star; Chris'mas again.

Time t'think on the year just gone, Time t' let go and carry on,  
Time t' savour your very own Chris'mas again.  
Time t' cling to the friends you know, Time t' bring out the mistletoe,  
Time t' savour your very own Chris'mas again.

Angel wings, We three kings, Five gold rings;  
Grandma says, "I remember when..."  
Hot mince pies, bargain buys, dodgy ties; Chris'mas again.  
Cattle shed, gingerbread, overfed; Grandad is hiding in 'is den,  
Pretty bow, lots of snow, here we go! Chris'mas again.

Time t'think on the year just gone, Time t' let go and carry on,  
Time t' savour your very own Chris'mas again.  
Time t' cling to the friends you know, Time t' bring out the mistletoe,  
Time t' savour your very own Chris'mas again.
