

Shenandoah

Oh Shenandoah, I long to hear you, Away you rolling river
Oh, Shenandoah, I long to hear you,
Away, I'm bound to go 'Cross the wide Missouri.

Oh, Shenandoah, I love your daughter, Away etc.
Oh Shenandoah, I love your daughter

'Tis seven long years since last I saw her.
'Tis seven long years since last I saw her.

Oh Shenandoah, I took a notion
To sail across the stormy ocean.

Oh Shenandoah, I'm bound to leave you.
Oh Shenandoah, I'll not deceive you.

Oh Shenandoah, I long to hear you.
Oh Shenandoah, I long to hear you.

It weeps with rain tonight where my love lies
It sweeps the foreign sand from out his eyes.
